

Visuals

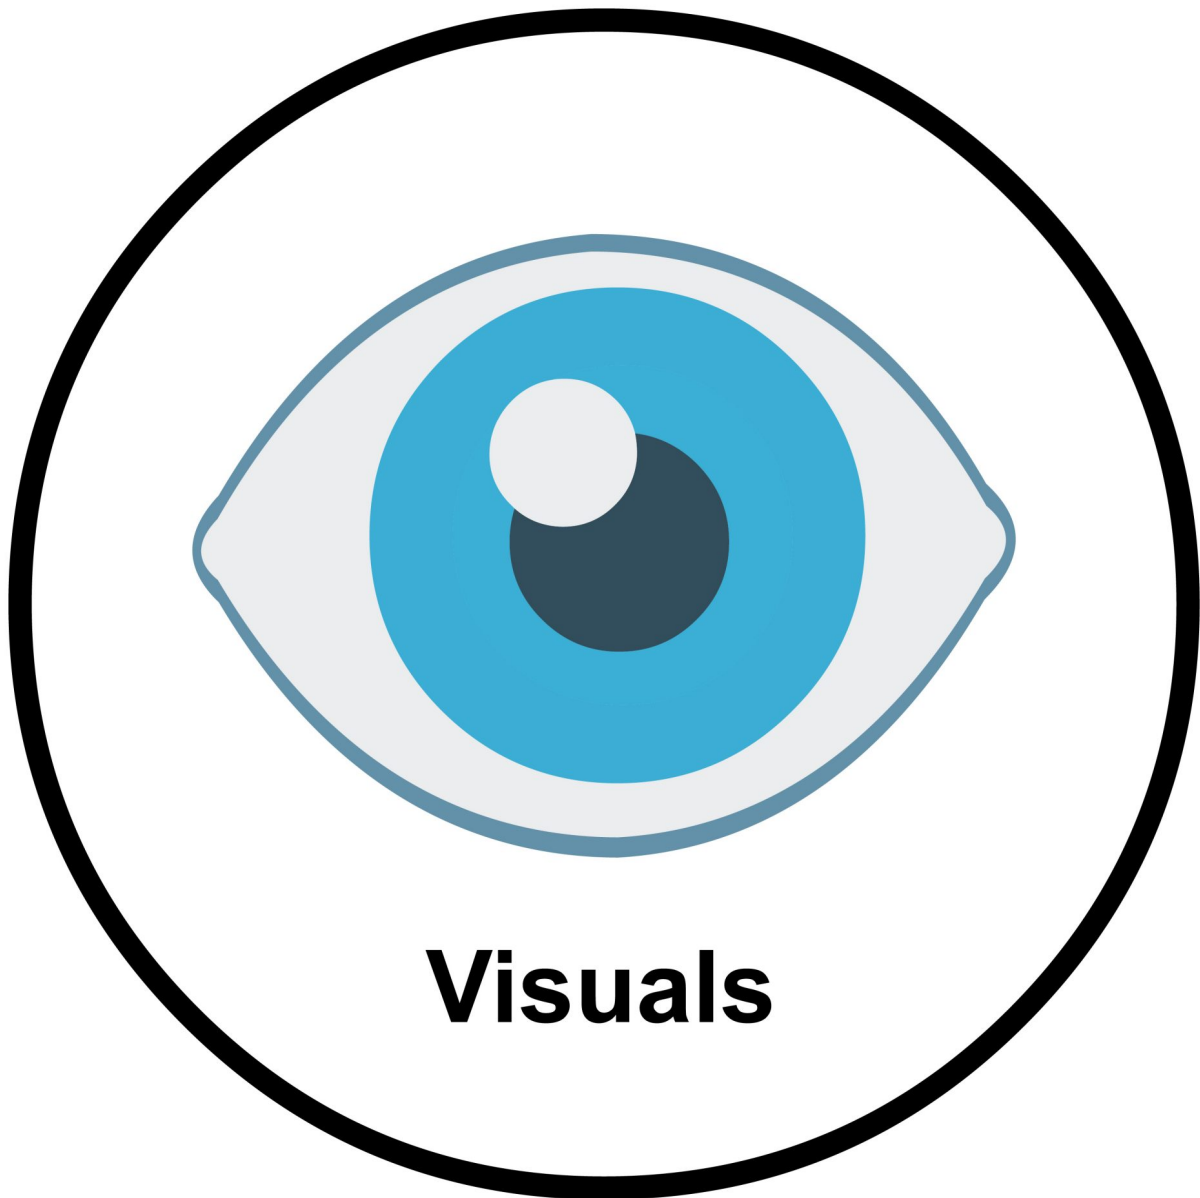

> VISUALS

Why Visuals?

Visuals are a great way to communicate both to children and with children. The information doesn't change, it is not scary!

Visuals can be costly, so here are some links to visuals that are available for free!!

Information on Visuals is listed below. There is also a hand blog post about how to make a timetable you can find [here!](#)

Ready to find out more?

Take a look at our simple, easy one pager explaining to families and other key stakeholders why we love visual information!

ASD Visuals

Why we love it ♥

This website has lots of great visuals aids to purchase, as well as lots of great products that can assist! A great website to be aware of!!

Who's it best for ??

Parents, and Therapists, Teachers

Cost £ \$ €

Starts at \$50 and we love the total pack, starting at about \$200

⇒ Where to get it?

Click on the image to be taken their website directly!

Spectronics

Why we love it ♥

An awesome website with free and paid resources for therapists to use in session. You will need the boardmaker program on your computer to open these ones, but great if you are still learning about how to use boardmaker.

Who's it best for ??

Parents, and Therapists, Teachers, Support Workers

Cost £ \$ €

FREE – but some items do depend on what you purchase from them.

Tools to Grow OT

Why we love it ♥

A great website with free and paid resources for therapists to use in session. These guys do a wonderful job, particularly with festive and themed content.

They organise the content by skill and have a handy search button if you are looking for something in particular.

Who's it best for ??

Therapists

Cost £ \$ €

Lots of Free stuff available if you sign up – then subscription based.

⇒ Where to get it?
